

Marine wildlife bingo

 Thornback ray	 Beadlet anemone	 Native oyster	 Common starfish
 Oystercatcher	 Flounder	 European eel	 Grey seal
 Bladder wrack	 Common shore crab	 Little tern	 Common cuttlefish
 Bass	 Sea hare	 Moon jellyfish	 Dwarf eelgrass

You will need one bingo caller and at least 2 players.

How to play

1. Cut out our marine creature cards into individual squares and put them in a hat, bowl or whatever you have available.
2. All players draw a 3 x 2 grid and write the name of 6 of our species in the boxes.

3. The bingo caller picks cards out of the hat randomly, shouting them out to the other players,
4. The first person to cross out all their marine life wins. Remember to shout 'bingo'!
