The Role

When Essex Wildlife Trust bought the site in the 1970's, it was a barren lunar landscape and some very dedicated people set about changing and developing it into the wonderful mosaic of different habitats we see today: grassland, gorse heathland, reedbeds, ponds, meadows, scrub. The nature reserve is now a Site Special Scientific Interest, a wildlife haven of over 200 acres (80 hectares) hosting up to 200 species of birds, 27 species of dragonflies and damselflies, 24 species of butterfly, 350 species of flowering plants, as well as Adders, Badgers and many other animals.

The Nature Discovery Centre offers an opportunity to discover the wildlife within the park whilst enjoying refreshments and a gift shop, run by a friendly team and wonderful volunteers who are passionate about providing fantastic customer service.

As a Casual Centre Assistant, the role will include serving customers in both retail and food and beverage areas, operating tills, and preparing drinks using the barista machine. Responsibilities also include maintaining a clean and organised environment and restocking shelves. You will work closely with our dedicated volunteers, who are passionate about supporting the Trust's mission. All revenue generated from our visitor centres directly funds vital conservation work across our reserves in Essex.

Working as part of a visitor centre team, the post holder will need to be a team player who can engage in a welcoming and professional way with our visitors - ensuring excellent customer service is always at the forefront.

We are looking for a friendly individual with an interest in customer service to join Essex Wildlife Trust in this visitor engagement role.
